

The St Christopher School Celebrates Opening of New Four-Classroom Block

Description

The completion and official opening of the new four-classroom block at The St Christopher School marks a significant achievement for the school community. Delivered on schedule and under budget, the project is a testament to the excellent planning, collaboration, and dedication of everyone involved.

The new facility provides a modern, high-quality learning environment that will benefit pupils and staff for many years to come, enhancing teaching and learning, and the overall educational experience.

The opening event was a great success, bringing together staff, pupils, and supporters to celebrate this important achievement. The occasion reflected the school's™ commitment to growth and ambition, while showcasing the positive impact the new classrooms will have on the future of the school.

As Lead Architectural Designers, Contract Administrators and Principal Designers (CDM) for the project, Livemore is incredibly proud to have played a key role in delivering this outstanding new facility.

A special congratulations and thank you to Sam and Richard for their hard work, professionalism and dedication in helping to bring this project to a successful completion.
